PUBLIC RECORDS POLICY FOR Town of Pleasant View

Pursuant to Tenn. Code Ann. § 10-7-503(g), the following Public Records Policy for the Town of Pleasant View is hereby adopted by the Board of Mayor and Alderman to provide economical and efficient access to public records as provided under the Tennessee Public Records Act ("TPRA") in Tenn. Code Ann. § 10-7-501, et seq.

The TPRA provides that all state, county, and municipal records shall be open during normal business hours for personal inspection by any citizen of this state. Further, those in charge of the records shall not refuse such right of inspection to any citizen unless otherwise provided by state law. See Tenn. Code Ann. § 10-7-503(a)(2)(A). Accordingly, the public records of the Town of Pleasant View are presumed to be open for inspection unless otherwise provided by law.

Personnel of the Town of Pleasant View shall timely and efficiently provide access and assistance to persons requesting to view or receive copies of public records. No provisions of this policy shall be used to hinder access to public records. However, the integrity and organization of public records, as well as the efficient and safe operation of the Town of Pleasant View, shall be protected as provided by current law. Concerns about this policy should be addressed to the Public Records Request Coordinator for the Town of Pleasant View or to the Tennessee Office of Open Records Counsel ("OORC").

This Policy is available for inspection and duplication in the office of the City Recorder. This policy is posted online at www.townofpleasantview.com. This policy shall be reviewed periodically as needed.

If the records custodian is uncertain that an applicable exemption applies, the custodian may consult with the PRRC, counsel, or the OORC.
2. 3. If a records custodian denies a public record request, he or she shall deny the request in writing as provided in Section III.A.2.b and may use the Public Records Request Response Form.

5. If a records custodian discovers records responsive to a records request were omitted, the records custodian should contact the requestor concerning the omission and produce the records as quickly as practicable.

C. Redaction

1. If a record contains confidential information or information that is not open for public inspection, the records custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the records custodian should coordinate with counsel or other appropriate parties regarding review and redaction of records. - D. A requestor will not be allowed to make copies of records with personal equipment. Under no circumstances will a requestor-provided external storage device or other device be allowed to connect to city hardware or software. The requester may purchase an external device from the Town on which documents may be stored, subject to other conditions that may be included herein.

VI. Fees and Charges and Procedures for Billing and Payment

Fees and charges for copies of public records should not be used to hinder access to public records.
